5. 3 luu y free lane

- (1) Stealth (big-pickle/space-bunny/fledge) co the bi swap ngam - thay behavior doi thi doi lane.

- (2) Big Pickle chi 200K/32K out vs nhom 1M - job whole-repo bat buoc dung nhom 1M, chunk output.
- (3) Quy tac 2-fail-escalate: fail 2 lan co feedback thi len paid frontier, dung grind free.
